EDUCATION

University of Wisconsin-Madison

Madison, WI

- Bachelor of Arts, Communication Arts: Radio, Television, & Film

May 2026

PROFESSIONAL EXPERIENCE

Independent Social Media Platform, Founder, Remote

November 2024 - Present

- Built and managed a short-form media platform with **120K+ followers** and **130M+ total views**.
- Analyzed engagement patterns, viewer feedback, retention signals, & platform trends to refine strategy & creative direction.
- Owned the full content lifecycle from ideation, scripting, filming, editing, and publishing to performance review.

Roya Media Group, Digital Journalism Content Creator, Remote

January 2026 - May 2026

- Collaborated with editorial, creative, and social teams to produce social-first journalism content published across Roya's large-scale platforms, including YouTube **1.44M+ subscribers** and Instagram **720K+ followers**.
- Researched emerging stories, viral trends, and audience signals to prioritize timely content in a fast-paced environment.
- Scripted, produced, and edited digital video assets using Adobe Creative Cloud, applying feedback and performance insights to improve clarity, speed, and audience relevance.

Seagull Media, Social Media Brand Strategist Intern, Amman, Jordan

December 2025 - January 2026

- Developed social and radio content concepts across Instagram Reels, skit-based challenges, and on-air segments for a show-specific Instagram audience of **20K+ followers**, turning audience insights and brand goals into strategic content formats.
- Analyzed campaign performance across content generating **100K+ impressions** and **7K+ engagements**, using audience response to shape creative direction and refine platform-specific strategy.
- Collaborated with **10+ influencers and organizations** across digital and broadcast workflows to create audience-centered content with strong cultural relevance.

HUPE, Executive Producer, Chicago, IL

September 2025 - October 2025

- Owned end-to-end execution of a branded commercial shoot with **10+ cast and crew members**, translating creative goals into production plans, logistics, talent coordination, and final deliverables.
- Coordinated across creative, production, and talent to align timelines, quality standards, project priorities, and brand vision.
- Managed real-time production tradeoffs across a **2-day shoot**, balancing creative ambition, execution constraints, and final asset quality under tight deadlines.

ECOVIS Jordan, Consulting Intern, Amman, JO

July 2024 - August 2024

- Synthesized research findings into client-facing summaries, translating complex information into actionable insights.
- Shaped messaging, tone, and narrative structure across internal and client materials to make recommendations.
- Assisted in developing presentation materials that connected data, context, and storytelling to communicate findings clearly and support client conversations.

Wunderman / VMLY&R, Advertising Production Intern, Amman, JO

August 2023

- Built a structured archive of commercial and advertising assets, improving asset accessibility and workflow efficiency.
- Supported live commercial shoots through production logistics, crew coordination, and real-time problem-solving.
- Collaborated across creative, technical, and production teams to support end-to-end campaign execution from planning through on-set delivery in a fast-paced environment.

SELECTED PROJECTS

Kalam Language Learning App, Brand Ambassador, Remote

July 2025 - Present

- Translated app features and user benefits into short-form promotional content for language learners.
- Created social-first videos to increase product awareness and explain key learning tools.
- Developed audience-centered messaging that made the app feel accessible and culturally relevant.

Occupational Hazards, Actor, Amman, JO

June 2026

- Performed in *Occupational Hazards* under director Bassel Ghandour, contributing to a professional film production environment and on-set execution.

The Appointment, Lead Actor & Producer, Los Angeles, CA

January 2026

- Led on-screen performance and supported production efforts for an independent short film, contributing to creative direction, project development, and execution.
